# 1 5 kw solar inverter factory in Auckland

How can skysolar help Kiwi homes & businesses?

We help kiwi homes and businesses harness the zero emission solar energy hitting their roofs every day. SkySolar offer market leading inverters like Fronius, Enphase and SolaX. SkySolar can specify the right inverter for your unique energy requirements.

Which inverter is best for your home?

Power categories ranging from 1.5 to 27.0kW guarantee suitability for virtually any system size - from a family home to a large-scale system. With power categories ranging from 3.0 to 8.2 kW, the Fronius Primo perfectly complements the SnapINverter generation. This single-phase, transformerless device is the ideal inverter for private households.
