# 120-foot collapsible container in Port of Spain

Where to buy shipping containers in Spain?

Are you looking for shipping containers in Spain. Alconet is specialized in selling and buying all types of shipping containers worldwide. Thanks to our strong partnerships with international suppliers and transporters we can provide high quality shipping containers in Spain, after they have been transported from Rotterdam, Netherlands.

What is a collapsible shipping container?

Shippers are demanding improved efficiencies and sustainability throughout their supply chains.

COLLAPSECON is the collapsible shipping container pioneering the future of global trade. It's practical and rigid design saves on space, cost and handling, and helps to significantly reduce industry emissions.

What is a seafold 40' container?

A collapsed bundle of five SeaFold 40' containers accommodates the same slot as one conventional 40' High Cube container creating 80% more storage and operating cost efficiencies at terminals, railheads, and ports, along with reducing lifts and container movement on ships, truck, rail, and barges.

How many containers can a collapsecon hold?

COLLAPSECON's innovative and fully automated design allows up to 4 containers to be collapsed and combined, giving them a fully laden weight and enabling them to be transported anywhere on a ship. 1/6 COLLAPSECON collapses horizontally, ensuring the container maintains its structural rigidity in any form.
