
Battery cabinet for 72 volt batteries

What is a 72V lithium battery?

Unlike other batteries, our 72v lithium batteries offer twice the power of any six 12V lead-acid or AGM batteries connected in a series. Plus, they charge six times faster to leave you with minimal downtime. Fast charging is a critical feature that can also make you more productive and spend more time on your outdoor adventures.

What is a battery cabinet / rack?

EverExceed designs customized battery cabinets / racks for individual batteries. The cabinet or racking system can be specified to accommodate any battery cell. From flooded to sealed, from lead acid to nickel cadmium and from vertical to horizontal all kinds of battery cabinet / rack can be designed flexibly to save the space in battery room.
