
Juba Battery Energy Storage Cabinet Tender

Who are the bidders for a 2 gw/8 GWh battery energy storage system?

From ESS News The Saudi Power Procurement Company (SPPC) has released a list of 33 prequalified bidders for its 2 GW/8 GWh battery energy storage system (BESS) tender. The tender, structured as a build-own-operate model, attracted major international players including Masdar, ACWA Power, EDF, TotalEnergies, Jinko Power and more.

What is Saudi Arabia's battery storage program?

The projects mark the first phase of Saudi Arabia's ambitious battery storage program, designed to support its goal of 50% renewable energy by 2030. Each 500 MW facility will operate for four hours, providing 2,000 MWh of total power capacity, said the SPPC, at the following locations:

Why do companies bid for energy storage tenders?

Bidding for energy storage tenders is extremely lucrative for companies of all sizes. Tendering authorities and private companies release thousands of contracts worth millions for procurement of energy storage. Global Tenders stands out as the largest platform dedicated to tenders and government contracts.

Does KSA have a storage service agreement with SPPC?

Each SPV will enter into a 15-year Storage Services Agreement with SPPC. As part of Vision 2030, KSA aims to supply 50% of its electricity from renewable energy by 2030 and has set a clear plan to transition its energy mix towards solar, wind and other renewable energy sources.
