
Low-pressure folding container for farm use

What are agricultural containers?

Our agricultural containers help with the transporting and storage of many different food items. Flexcon containers keep agricultural products clean, safe, and secure from the farm to the grocery store. The containers are durable and ergonomic. Upon request, we can provide containers with FDA-approved materials.

What are agriculture foldable crates?

This category of dedicated agriculture foldable crates is produced only from high-quality impact-resistant injected plastic and designed to withstand daily intensive folding and unfolding. Transport, delivery, stacking and storage included. These foldable crates save up to 85% of the space when not used.

What are FLEXcon containers?

Flexcon containers keep agricultural products clean, safe, and secure from the farm to the grocery store. The containers are durable and ergonomic. Upon request, we can provide containers with FDA-approved materials. We have everything from large bins to stackable produce containers to handheld swing bar totes for all of your agricultural needs.

What is a foldable Agri box?

Foldable Agri Boxes ensure the integrity of merchandise: smooth interior, no stripes or bumps that can damage the specially sensitive fruits or vegetables.
