How much does a solar panel cost in Auckland?

The cost of a solar panel will depend on the type and size of panel that you choose. As a rough guide a good quality tier one, 400 watt solar panel will set you back about \$400-\$500. Are solar panel costs worth the investment in Auckland?

Does AA solar offer a solar inverter?

AA Solar has an extensive range of solar inverters, and solar batteries & panels. Suitable for residential, commercial & leisure applications. Learn more here!

Who should install a solar inverter?

Solar inverters should always be installed by a professional installer, like ZEN Energy, with experience in solar energy systems. Attempting to install a solar inverter yourself could be dangerous and may also result in damage to the inverter, the solar panels, or other components of your solar energy system.
