
Oman explosion-proof inverter manufacturer

Who makes Voltamp Transformers in Oman?

From its Rusyal plant, Voltamp Transformers Oman SAOC manufactures medium power transformers upto 10 MVA and 33 Kv class, distribution transformers upto 2500 KVA and 33 kV class, special transformers for the oil & gas sector and other special transformers including Earthing transformers, Hermetically sealed transformers and packaged sub-stations.

Who formally inaugurated the Oman Oil & Gas Corporation?

It was formally inaugurated by H.H. Sayyid Shihab bin Tariq Al Saidin presence of distinguished personnel from the Ministries, Government, Semi-Government, Oman Utility Companies, Oil & Gas Sector, Industries, Banks, Financials Institutions, etc.

Who is Voltamp Oman?

Voltamp, Oman is committed to give its customers products of enduring Quality and it is constantly striving to upgrade its capabilities in order to serve its customer even better. In 2008 in Technical Collaboration with Tatung Company of Taiwan, Voltamp announced its World Class Power Transformer manufacturing facility Voltamp Power SAOC.

What are the ratings of power transformers in the Sultanate of Oman?

Today Voltamp Power SAOC has delivered various ratings of Power transformers ranging 93.75/125/125/MVA ONAN/ONAF/OFAP 132/33kV, 63/75 MVA ONAN/ONAF 132/34.5 kV and various 20 MVA 33/11.5 kV Power Transformers for major Utilities in the Sultanate of Oman.

Explosion-proof / Weather-proof and Increased Safety Equipment, LED Flood / Street Lighting Explosion-proof / Weather-proof LED Flood / Street Lighting, Plug Socket Download: Electrical ...

Start by identifying manufacturers with a proven track record in producing explosion-proof inverters, as this certification ensures safety and compliance with industry ...

Single / three Phase Motors, Explosion Proof Motors, Motor with integrated Frequency Inverter, High voltage three phase Motors, Helical Gearbox Motors, Worm Gearbox Motors, Variable ...

Low Voltage Induction Motors Outputs up to 1,500kW Voltages up to 690V General Purpose Motors Explosion Proof Motors Dual Speed Motors Smoke Extraction Motors Brake Motors ...

General performance IE3 motors are ideal for OEMs to build into pumps and fans, as well as for other applications including gear boxes, conveyors and general machinery. The ...

Corporate Profile From a modest beginning in 1987, Voltamp Group has emerged as the shining example of Oman's entrepreneurial spirit and manufacturing prowess by becoming the leading ...

The FD2000-EP series explosion-proof frequency inverter is a product that FGI R&D engineers have been accumulating and upgrading technology for many years. It has been widely used ...

Sandi Electric developed explosion-proof inverter is an electronic device that can convert DC power into AC power for use in flammable and explosive environments.

Sandi Electric developed explosion-proof inverter is an electronic device that can convert DC power into AC power for use in flammable and explosive ...

Single / three Phase Motors, Explosion Proof Motors, Motor with integrated Frequency Inverter, High voltage three phase Motors, Helical Gearbox ...

INDUSTRIAL SUPPLIES CENTER LLC has been in cooperation with ABB as channel partner for more than 10 years. The ABB-wide channel program is called the ABB Value Provider ...

Corporate Profile From a modest beginning in 1987, Voltamp Group has emerged as the shining example of Oman's entrepreneurial spirit and ...
