## Prices of solar panels in Bissau

What is a NABCEP certified solar installer?

North American Board of Certified Energy Practitioners(NABCEP) is a non-profit body trusted by the U.S. government to set the training and accreditation standards for solar installers nationwide. Using a NABCEP-certified installer is a mandatory requirement for many solar incentive programs throughout the country.

Where did photovoltaic cost data come from?

Photovoltaic cost data between 1975 and 2003 has been taken from Nemet (2009),between 2004 and 2009 from Farmer &Lafond (2016),and since 2010 from IRENA. Prices from Nemet (2009) and Farmer &Lafond (2016) have been converted to 2024 US\$using the US GDP deflator,to account for the effects of inflation.

Where can I get solar training?

Solar Energy International(SEI),a non-profit organization,is the oldest and largest solar training provider in the United States. SEI offers NABCEP-accredited courses in solar installation,solar sales,and marketing. Zillow is America's largest real estate website,with data for over 110 million homes nationwide.
