
Steel mills offer 40-foot folding containers at a discount

Where can I buy 40 ft shipping containers?

Discover 40-foot shipping containers for sale at Eveon Containers. Our wind and watertight units feature durable marine-grade plywood floors, ensuring long-lasting storage solutions.

What is a 40 ft container used for?

40ft units can be used for commercial, residential, and shipping industry applications. There are a few types of 40-foot shipping containers, but the most common one is the standard dry 40' shipping container. These storage containers are easy to load and unload and can hold products that are dense or have a lot of weight.

What is a used steel shipping container?

Used steel shipping containers are typically older but still weather-tight and structurally sound, making them ideal for budget-friendly storage or jobsite use. Many customers choose used containers to save up to 40% off new prices. Both new and used conex boxes come in various sizes and may include features like vents, locks, or roll-up doors.

What is a 40ft storage container?

40ft storage containers are the perfect way to transport large items or large quantities of items. They are made of durable corrugated steel and have a high-security lock box to protect your belongings. They also have two-way forklift pockets, so you can easily move them around.
