
Tender information for uninterruptible power supply for solar container communication stations

When should tenders be deposited in the tender box?

Tenders must be deposited in the tender box as specified in this tender notice ('Specified Tender Box') before the tender closing time. Late tenders and tenders not deposited in the Specified Tender Box will not be accepted.

How do I submit a tender?

A tenderer must submit its tender in electronic format via the Electronic Tendering System for works contracts ('e-TS (WC)'). Late submission will not be accepted. In addition to the electronic submission, a tenderer may opt to submit its tender in hard copy as well.

How long does a tender take?

The works are scheduled to commence in October 2025 and will take about 36 months to complete. A tenderer must submit its tender in electronic format via the Electronic Tendering System for works contracts ('e-TS (WC)'). Late submission will not be accepted.
