
Wholesale 1600 amp switchgear in Netherlands

Who is SGC - switchgear company?

SGC is an independent manufacturer of medium voltage switchgear solutions worldwide. We have more than 45 years worth of experience in the development and production of medium voltage cubicles from 1 kV to 24 kV, for both indoor and outdoor applications. SGC - SwitchGear Company provides reliable products for electrical distribution applications.

Where are switchgears made?

Each and every switchgear is built in this single factory in Belgium and our engineers are literally just one foot away from the production floor. Supervisors and managers are out on the floor. When a change needs to happen, they can be on the assembly line instantly implementing those changes.

What is a 1600A switchboard?

A switchboard can be a piece of hardware that makes or breaks your electrical system, so it's important to get the one that's right for you. If you've been shopping around for switchboards, chances are you've come across 1600A switchboards, as they are some of the most common configurations and common modular switchboard designs.

What is air insulated switchgear for primary distribution?

Our air-insulated switchgear for primary distribution are designed in accordance with the current IEC 62271 standard and are a reliable link in the primary distribution of energy and are used in a variety of demanding situations.

Top Switchgear Manufacturers in Netherlands The B2B platform for the best purchasing decision. Identify and compare relevant B2B manufacturers, suppliers and retailers

We deliver switchgear for low, medium and high voltage. Looking for a reliable link in demanding situations? Take a look at our switchgear.

Where to Find Siemens 1600 Amp Switchgear Suppliers? China remains a dominant force in the medium- and high-voltage switchgear manufacturing sector, with key industrial hubs in ...
